

**Long-Range Context Binding
(Windshield $\leftrightarrow$ Hand)**

The image shows a man in the driver's seat of a car. A heatmap overlay is visible on the left side of the image, with a bright yellow and orange area on the man's hand. Two dashed yellow arrows originate from this area: one points towards the windshield and the other points towards the top right corner of the image. The background shows the car's interior and a view through the windshield of a snowy outdoor scene.
